Heard horror stories about E-Verify?

Dispel them by E-Verifying yourself! It's quick and easy ...

Go online to

[capitalization not important]

Or simply do a Google search for ...

"E-Verify self check"

... and take the top result. Either way, you'll reach the entry portal.

Then, if you're <u>not</u> an unauthorized alien, you can actually confirm that you're authorized to be employed in the U.S.: Click on the "Start a Self Check" button in the middle of the page.

Self Check consists of four steps:

> Steps 1 & 2: Establish identity.

> Steps 3 & 4: Check for eligibility to work in the U.S..

Just fill in the blanks with your personal information.

Dubious about trying it? The four steps are outlined on the "How to Use Self Check" page accessed from that same entry-portal page, http://tinyurl.com/E-Verify-self-check-URL .

You can also access "Questions and Answers" and "Facts and Myths" about E-Verify from the entry-portal page.
